SC PERFORMANCE GOAL

2010 Goal:
By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:
By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

In 2008-09, Concord Elementary School served approximately 730 students in grades kindergarten through five and one of self-contained PMD students. In addition to the core academic program, a standards-based curriculum, the school offers a full range of related arts, media services, counseling, and family therapy, as well as extracurricular activities such as Math Club, Science Club, Art Club, Running Club, choral music opportunities, reading incentive programs, computer-assisted instruction, and service learning opportunities such as United Way and Relay for Life.

Concord's greatest strengths lie in excellent student achievement and outstanding community involvement. Test scores are among the highest in the district. An active PTA boasts 47 years of 100% membership, a state record, and over 17,000 volunteer hours in 2008-09. Among the school's successes are a strong mentoring/tutoring program, a comprehensive school science fair, and annual schoolwide writing programs including Writers' Guild and publishing center, continuation of character education programs, a wide variety of opportunities for teacher training in best practices, and completion of 40 years of SACS accreditation. As an International Baccalaureate Candidate School, Concord's dedicated staff has written curriculum using inquiry based instruction while following District Five's Approved Curriculum. Concord teachers provide challenging and strenuous instruction and support it with a vast array of teaching resources, programs, and strategies. The teachers use a variety of assessments and data to drive instruction. Some examples are formative and summative assessments to accompany the units of instruction within the Program of Inquiry, nine weeks tests, and MAP tests for students in Grades 2-5, DIBELS assessment for students in kindergarten through Grade 2 for Early Reading Interventions, and DRA tests to determine reading levels for guided reading instruction used within the Balanced Literacy Model.

The school's constant challenge is to ensure that ALL students demonstrate competency in reading, writing, math, science, and social studies as well as problem-solving strategies, that they are regular in school attendance, and that they demonstrate the qualities to be responsible, respectful, caring citizens.

Concord is known for its tradition of excellence, and in the last several years, the school has been recognized with the following awards: Palmetto's Finest Award, State Exemplary Writing Award, and Palmetto Gold (eight consecutive years). Concord has also been recognized as a Flagship School of Promise and a Red Carpet School. Based on the 2008 PACT scores, Concord was recognized for the fifth year by the state Education Oversight Committee for closing the achievement gap. Through the efforts of capable and eager students, an excellent faculty and staff, committed and involved parents, and the support of the community at large, Concord Elementary School is Continuing a Tradition of Excellence
